The Neighbourhood Matching Grants Program

[sproutscambridge@gmail.com](mailto:sproutscambridge@gmail.com)

“The happiest people don’t have the best of everything, but they make the best of everything they have.”

What’s ONE thing you VALUE about your neighbourhood?

Now, what’s ONE thing you REALLY want to see change?

We want to give you the opportunity to make that change!

### What is SPROUTS?

SPROUTS is an exciting new program funded by Housing Cambridge.

This is an opportunity for YOU as Housing Cambridge residents to put your community ideas into action and make a difference in your neighbourhood!

### How Can You Start?

1. Develop an idea for a project in your neighbourhood.
2. Talk to your neighbours, friends and family to get their support.
3. Contact SPROUTS for more information so we can help make your project ideas a success!

### What types of projects will be funded?

- Projects that involve members of the community
- Projects that create visible and sustainable outcomes
- Projects that beautify the neighbourhood
- Projects that improve neighbourhood safety, participation, and/or promote mobility
- Projects that encourage acceptance of diversity
- And so much more!

## Program Goal:

To help Housing Cambridge residents come together to create strong, happy, healthy communities.

## Strength

A river cuts through a rock, not because of it’s power but it’s persistence.

### Some examples:

- A playground
- More trees
- A community garden
- New activities for kids or families
- A community event
- What ideas do YOU have??
